

APPROPRIATENESS TEST ON TRANSACTIONS WITH COMPLEX FINANCIAL INSTRUMENTS (FI) FOR NATURAL PERSONS

Protecting the interests of investors, AS IBS "Renesource Capital" will process personal data in order to fulfil the obligations established by the law and regulation. Personal data processing purpose is to assess, by means of automated profiling:

- (a) appropriateness of complex FI/investment products for you,
- (b) your ability to understand risks associated with the complex FI/investment products,
- (c) possibility to assign you a Professional Client MIFID status;

based on the information stipulated in the "Appropriateness test on transactions with complex financial instruments (FI)" (Appropriateness test).

Personal data controller: AS IBS "Renesource Capital".

Attention! AS IBS "Renesource Capital" does not evaluate whether non-complex FI or related investment services are appropriate for the Client, but ensures only Client's order execution; hence, the Client does not obtain relevant protection.

Non-complex financial instruments¹:

- Shares admitted to trading on a regulated market or on an equivalent third-country market or on a multilateral trading facility, where those are shares in companies, and excluding shares in non-UCITS collective investment undertakings and shares that embed a derivative;
- Bonds or other forms of securitized debt admitted to trading on a regular market or on an equivalent third country market or on a multilateral trading facility, excluding those that embed a derivative or incorporate a structure which makes it difficult for the client to understand the risk involved;
- Money market instruments, excluding those that embed a derivative or incorporate a structure which makes it difficult for the client to understand the risk involved;
- Shares or units in UCITS, excluding structured UCITS;
- Other non-complex financial instruments.
