Please note the following important information:

- The Company transfer Assets only to the Clients Accounts specified in the Payment Instructions and Banking information (as per Client Questionnaire);
- The Company is entitled to refuse execute the Client Orders, in case when free equity/funds available in the relevant Client FI Accounts is insufficient to execute the Orders and/or deduct the Commission due to the Company;
- Currency exchange is made by Company's counterparty at the current exchange rate;
- A standard wire transfer can take up to 3 business days funding FI account. For urgent (Express) payment an additional commission will be applied. All payments without the relevant mark of an urgent (Express) payment are considered as standard payments;
- RENESOURCE CAPITAL will process fund transfer and currency exchange, immediately upon receive of this Order in Free Form, however Client hereby acknowledges, that in different countries the calendar of business days can be different. Company counterparties determine cut - off time for processing requests on currency exchange and fund transfer. If the fund transfer/currency exchange request is received by the Company later than fixed cut - off time or non - working hours/days, it will be processed and executed on the next business day following.
